Dear Friend in Christ Jesus,

Greetings in the name of our Lord Jesus Christ who is the same yesterday and today and forever.

We belong to the 3rd world under develop country. One year ago I was reading your inspiring Articles published at the Heartland news. Everytime I glance the heartland newspaper, the Lord spoke to me to send to you a letter. I refused. Today when I read over your column, suddenly, I saw a vision and saw myself walking along the foot bridge around the floating squat hut around the slums in the city and, turned myself around and saw both children, young and old dressed looks like a rag and as I pass by them, they stretched their thin hands asking some food to eat.

I could not look on them so, I covered my ears and closed my eyes and cried. After this scenes, I become dumbfounded for a few seconds. Really, people here need to be ministered both spiritual and material. Three (3) hot meals you serve there, is equivalent of 6 hot meals here.

Prompted by the recent economic disssters in Mindanao, Philip-pines are especially Surigao which our region belongs, resulting to poor production of Crops and basic foodstuffs thereby, the widespreading of epidemic.

Base on the Gospel of Matthew 25:45, we humbly pass this letter of appeal to your beneficent attention by helping the needs of our evangelical believers likewise to the tribal groups of believers in particular.

Foremost of our urgent needs are medicines, foodstuff and clothings which I believe are available within your reach.

Our non stock, non profit organization is fully organized to undertake the distribution of whatever aid and assistance you may extend with full assurance for an up dated monitoring of our field activities.

Your civic and benevolent action on this matter is highly appreciated. May the Lord richly bless you.

In the Service of the King Jesus
Respectfully yours,

ROGER G. DAGASDAS
