Dear Brother in Christ,

I am taking this opportunity to inform you that I have already completed my B.D. Programme studies in Makumira. I am now serving in my mother Church "MORAVIAN" which is situated at the Western part of Tanzania. I am serving as the Executive Secretary of our Church.

The aim of this letter is to ask you to send me the recorded cassettes of your sermons which you deliver in the States. If you look in your previous list you can see my name for which you have been sending the cassettes to me when I was at the Theological College in Makumira, Arusha. I still have the interest to listen your sermons. I expect to receive the recorded sermon from you in the near future.

We remember your service in our daily prayers.

With Best Wishes,  
Yours sincerely,

Rev. Jackson D. Kasalama  
(EXECUTIVE SECRETARY)

EXECUTIVE SECRETARY  
MORAVIAN CHURCH IN WESTERN TANZANIA.
