Dear
Pastor
PAUL ARNOPOULOS.

Greetings in the LORD.

First I thank our almighty GOD for her mercy to me which enabled me to write this missive to you. I'm glad in-deed.

Dear Pastor Paul, Mr Donald is my fellow Christian, my friend, and therefore he is my brother. When he received the tapes you sent to him, he welcomed me to listen and ingest the message of GOD you conveyed through the tapes. Unfortunately, when you was preaching, you were too speedy in speaking. Nonetheless, the theme of the message is too GODLY which signifies LOVE, of HAPPINESS IN THE LORD. GOD BLESS YOU FOREVER. I'm therefore very much interested with such messages, and I desire them. I would like you send me similar tapes containing religious messages or as per your views as regarding to my brother Donald.

My heart felt gratitude to your Love towards us for the message is greatly expressed.

Here I remain.

"MAY GOD BLESS YOU"

Yours in Jesus
Magge.
