Dear,
PASTOR.

PAUL ARNOPOULOS,

Greetings in the LORD.

I here once again occupy this opportunity to thank you for your constant dispatch of Cassettes to me. I have received several of them but sometimes they arrive ONE in an envelope I don't know — whether is the way you send them or they go — Lost on the way.

From the outset of receiving these tapes, I have been on constant contact with my friends & fellows, and you will see this to be TRUE that many of them from here have sent you letters demanding to join the DISCIPLES MINISTRY and to receive-taped tapes with HOLY MESSAGE from you.

Since then the Morale of people on the LORD is boosted. Some of the tapes which you sent me, I have borrowed them to one determinant Church worker of the LUTHERAN CHURCH who he uses them to disseminate the holy word to our fellows who have not yet accepted and received the LORD JESUS. Many of them have already received the LORD, and we pray to have them all Salvated.

To end with, I ask you to continue sending me the tapes so that we maintain the constancy of Salvation.

P.F.D.
