

## Church plans to give away tons of clothes

tons of clothes

A man browsed through a pile of slacks Tuesday, above, while others pored over the 50 tons of clothing that will be given away this week at the Disciples Ministry Church Mission, 1000 Oliver Av. N. The nondemoninational evangelical church is sponsoring the give-away for the needy today through Friday. Administrator Janine Durand said that 10 tables of clothing and household items will ring the block. She said the church was bursting at the seams with the stored clothing and the project will provide room for more donations.
